

criarGrafo

```
graph LR; A[criarGrafo] --> B[criarAresta]
```

A flowchart consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'criarGrafo'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'criarAresta'.

criarAresta
